### **AFRICAN COMMUNITY CENTER ATLANTA THE CORE ADMINISTRATION**

Welcome to the page for The Core Administration of the African Community Center-Atlanta (ACC-ATL). We are the Administrative unit responsible for implementing the Functional Unity (FU) Process in Atlanta. The Core Admin identifies experienced and qualified community members to serve as ACC Volunteers to help build and maintain Functional Unity.

Under the leadership of the Center Director, the Core Admin and other volunteers carry out necessary tasks to facilitate the FU process.

The ACC- ATL is governed directly by the locally elected Unity Council and guided by basic documents and guidelines developed by the Central [Unity Board](#).
